# Miles on Miles

Are walked by the billiard player, as he moves around the table. That is the only exercise many a city man gets. It is this lack of exercise in the shut-in-life of the city, combined with irregular eating and indigestible dishes which tend to make the city man the victim of "stomach trouble."

When there is undue fullness after eating, with belching, sour risings and other distressing symptoms, a prompt use of Dr. Pierce's Golden Medical Discovery will effect a speedy cure. In the most extreme cases of indigestion of the stomach and other organs of digestion and nutrition, the persistent use of the "Discovery" will result in a complete cure in ninety-eight cases out of every hundred.

"The praise I would like to give your 'Golden Medical Discovery' I cannot utter in words or describe with pen," writes James B. Ambrose, Esq., of 1205 1/2 Millin Street, Huntington, Pa. "I was taken down with what our physicians said was indigestion, I doctored with the best around here and found no relief. I wrote to you and you sent me a question blank to fill out and I filled it out and sent it to you. I took three bottles and I feel good that I stopped—no more is it! I cured. I have no symptoms of gastric trouble or indigestion now."

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for paper covered book, or 4 stamps for cloth bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

### BUFFETED BY GALES.

The American line steamer New York, which arrived at New York yesterday from Southampton, was closely followed by the French Line steamer La Savoie, 10 minutes being the difference in time of arrival at the lighthouse. Both steamers encountered terrific gales and seas. The New York had a particularly severe gale from the north-northwest, with violent squalls and high seas on Wednesday, January 6. The ship had slowed down in the gale to secure some gear, when an enormous sea curled over the bow and swept overboard F. Comulisch, a seaman. A life buoy was sent after him, and almost instantly Second Officer Keys, taking a turn about his body with a line, jumped into the sea after the seaman, who had in the meantime secured a hold on the buoy. Before the second officer could get to the unfortunate man Comulisch lost his grasp on the buoy and disappeared. The second officer was then hauled on board. La Savoie also caught the gale of the 6th. At 11 o'clock p. m. a huge rolling wave of tremendous height swept over the bow, dashed after with tremendous force, smashed in the forward bulkhead of the smoking-room, under the bridge, and flooded that compartment. The ship was slowed down immediately. The passengers became alarmed at the staggering effect of the shock. The forward bulkhead under the bridge was smashed in, causing a hole about 12 feet across; rails and stanchions were also bent and broken, but no one was hurt.
